-- o --

I write to state that the existing No of 177 sweepers and scaven-gers borne on the Conservancy Establishment of the Davanagere City Municipality to look after the sweeping work as also the work connect-ed with the cleaning of latrines in this City having been found to be too inadequate to cope up with the heavy work in view of several extensions having sprung up in differnt parts of the City

The question of entertaining an additional staff was therefore placed before the Municipal Council for consideration at its meeting held on 28-4-53 and it was resolved that in consideration of the rapid growth of this City extensively in all directions and to the other facts fully described in the body of the resolution that nine addi-tional hands on a pay of Rs 18-½-22 with the usual D A be entertained on a permanent basis in anticipation of sanction of Government, with effect from 1st May 1953 and that sanction of Government be obtained therefor

A copy of the resolution is enclosed for favour of kind ref-erence

The monthly expenditure in respect of the present conservancy sweepers and scavengers works up to Rs 7174/- per month The extra expenditure that is involved by the entertainment of the nine addi-tional hands would be Rs 365/- per month Thus the aggregate ex-penditure in respect of 186 sweepers and scavengers including this additional nine hands per month would work up to Rs 7539/- or Rs 90468,
